

# TRISTAR™

FAST-ACTING  
LONG  
LASTING

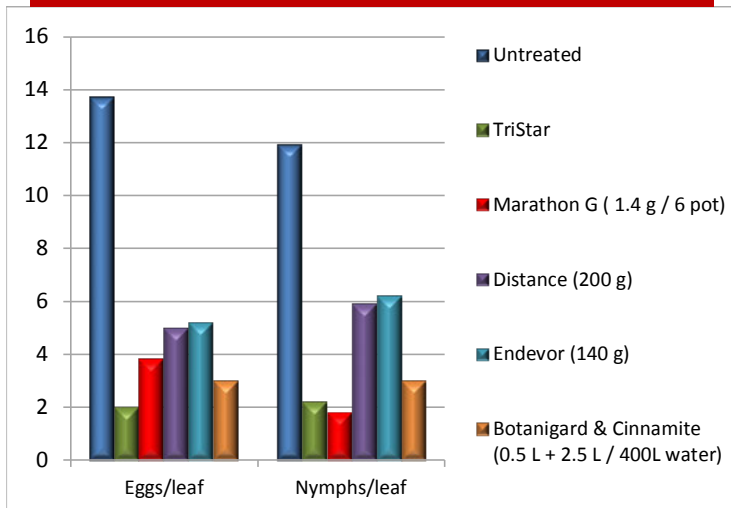

## TRISTAR INSECTICIDE

TrisStar 70WSP is a broad spectrum, systemic insecticide that controls a number of important greenhouse and nursery pests including whiteflies, aphids and leafhoppers.

TriStar comes in easy to use water soluble packages, and goes into solution very easily. TriStar is an effective and economical option for both preventative control programs or as a late season cleanup.

## WHITEFLY CONTROL IN POINSETTIA
