

# PROPERTY

300 SC Fungicide

## PROPERTY FUNGICIDE

PROPERTY is a suspension concentrate fungicide that offers superior protection against powdery mildew in apples, cherries, cucurbits, grapes, strawberries, tomatoes, and much more!

Pyriofenone, the active ingredient in PROPERTY, is the newest generation chemical found in the FRAC 50 group. It demonstrates extremely fast translaminar activity that is complemented by a "vapour effect" which is stronger & longer lasting than that of other chemistries found in the same group.

### Active Ingredient:

Pyriofenone (300g/L)

### Key Registered Crops:

Apples, cherries, cucurbits, grapes, strawberries, tomatoes

### FRAC Group:

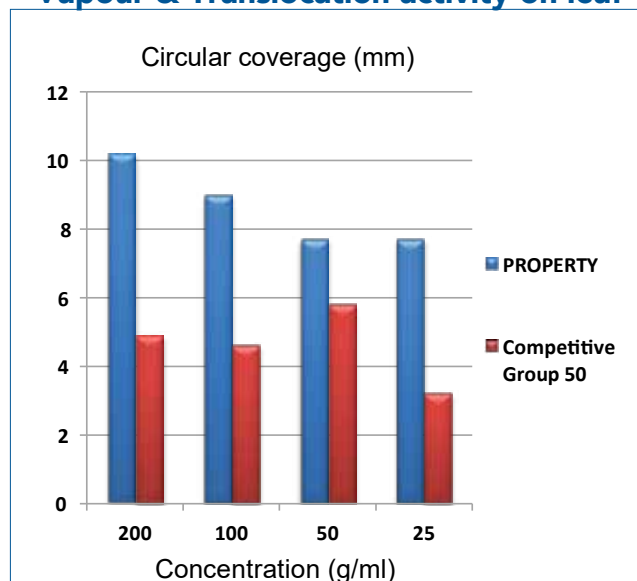

Group 50

### Packaging Size:

4 x 2L

PROPERTY 300 SC can be used as part of a resistance management strategy that includes using it in mixtures or sequences with products that are effective against Powdery mildew and have a different mode of action, and in combination with cultural control methods.

### Vapour & Translocation activity on leaf

Property can be applied up to the day of harvest.

CROP	DISEASE CONTROLLED	RECOMMENDATIONS	INTERVAL	RESTRICTIONS	PHI	RATE
Cucurbits Crop Group 9: varieties of cucumber, pumpkin, squash, melons, zucchini	Powdery Mildew	For powdery mildew control, begin fungicide applications preventatively and continue as needed.  Use the low rate and long interval as disease preventative sprays or when disease conditions are low. Increase to highest rate and shortest interval under moderate to heavy disease pressure.	7 – 10 days	Do not make more than 2 consecutive applications of PROPERTY 300SC Fungicide or other Group 50 containing fungicides before rotating to a fungicide with a different mode of action.	0 days	0.3 to 0.366 L / ha in 200 – 1000 L water (90 to 110 g a.i./ha)
Tomatoes			7 - 14 days		14 days	
Apples			7-10		3 days	
Cherry Crop Group (subgroup 12-09A)						
Grapes						
Strawberries	Powdery Mildew (Suppression)		14 days		0 days	
Caneberries (blackberry; loganberry; red and black raspberry; wild raspberry)			7-10			
Goose Berries						
Saskatoon Berries						
Tomatoes
